

ClearSign Receives Multi-Unit Order from Major Eastern Mediterranean /Middle East Refiner

Operator Orders Multiple of Duplex Plug & Play™

SEATTLE, Dec. 4, 2017 /PRNewswire/ -- ClearSign Combustion Corporation (NASDAQ: CLIR), an emerging leader in industrial combustion technologies that reduce emissions and improve efficiency, today announced receipt of a purchase order from an Eastern Mediterranean/Middle East Refinery for six Duplex Plug and Play burners for multiple refinery process heaters. The terms of the sale were not disclosed. This Eastern Mediterranean/Middle East refinery is the among the largest in the region with a reported capacity of just under 200,000 barrels per day. The customer is a leading refinery in the Eastern Mediterranean/Middle East region and are part of a large integrated refining and petrochemicals complex.

"After performing an extensive, world-wide review of available combustion and environmental controls technology, we are pleased that this Refinery selected our Duplex Plug & Play over competing technologies. Their selection of ClearSign for multiple burners is a vote of confidence in ClearSign. Additionally, they have expressed their intention of buying additional Duplex Plug & Play burner systems in 2018 as they expand their effort to lower emissions while improving operational efficiency. This purchase is further evidence of commercial adoption of the Duplex Plug & Play and follows Delek's installation of the systems in the Delek Tyler, Texas facility," said Stephen Pirnat, Chairman and Chief Executive Officer of ClearSign.
